6	Sharing your child's medical record
<p>Medical Record Sharing allows your child's complete GP medical record to be made available to authorised healthcare professionals involved in your care. You will always be asked your permission before anybody looks at your child's shared medical record.</p> <p>If you don't want to share your child's GP record tick here: <input type="checkbox"/></p> <p>Summary Care Records contains details of your child's key health information – medications, allergies and adverse reactions. They are accessible to authorised healthcare staff in A&E Departments throughout England. You will always be asked your permission before anybody looks at your child's Summary Care Record.</p> <p>If you don't want your child to have a Summary Care Record tick here: <input type="checkbox"/></p> <p>The Care.data Programme Collates information about your child and the care they receive. It links information from all the different places where your child receives care, such as their GP, hospital and community services, to help them provide a full picture of your child's medical needs and the care they are receiving. This data is made available to NHS Commissioners so that they can design integrated services and is shared with third parties for research purposes.</p> <p>I wish to OPT OUT from my child's Personal Confidential Data being shared outside their GP practice: <input type="checkbox"/></p> <p>I wish to OPT OUT from my child's Personal Confidential Data being shared with <i>third parties</i>: <input type="checkbox"/></p>
